Education

- 2024-present **PhD in Machine Learning and Complex Systems' Physics**, *University of Florence*
Supervisor: Prof. Duccio Fanelli
Co-Supervisor: Prof. Francesco Piazza
In collaboration with: Tecnolink S.r.l.
Research Group: CSDC: Center for the Study of Complex Dynamics
- 2021-2024 **Master's Degree in Theoretical Physics**, *University of Florence*
Supervisor: Prof. Duccio Fanelli
Thesis: Generalized Spectral Formalism for Neural Networks
Grade: 110/110
- 2016-2021 **Bachelor's Degree in Physics and Astronomy**, *University of Florence*
Supervisor: Prof. Simone Landi
Thesis: Fluid Models of Supersonic Winds from Stellar Coronae
- 2011-2016 **Scientific High School Diploma**, *Liceo Scientifico A. M. Enriques Agnoletti*, Sesto Fiorentino

Employment

- 2025-present **Science Communicator**, *OpenLab*, Sesto Fiorentino
- 2025-present **Academic Tutor**, *University of Florence*, Florence
- 2021-2024 **High School Teacher**, *Istituto Giovanni Dupré*, Florence
- 2018-2019 **Customer Relations**, *Dalle Nostre Mani*, Florence

Conference and Workshop Contributions

- 07/2025 **Talk**, *Nordita*, Fluctuations in Self-Interacting and Learning Processes, Stockholm
Title of the contribution: *Training Walkers with Reinforcement Learning*

- 07/2025 **Poster**, *StatPhys29*, International Conference on Statistical Physics, Florence
Title of the contribution: Spectral Architecture Search for Neural Networks
- 07/2024 **Talk**, *COMPENG 2024*, IEEE Workshop on Complexity in Engineering, Florence
Title of the contribution: Generalized Spectral Formalism for Neural Networks

Languages

Italian Mothertongue
English Advanced, level C1
French Basic, level A2

References

Prof. Duccio Full Professor - *Università degli Studi di Firenze*
Fanelli

Dr. Lorenzo Postdoc - *Free University of Berlin*
